This collection of information is mandatory and is required by 49 CFR Part 385 and authorized by 49 U.S.C. 504 (1982 & Supp. III 1985). The Form MCS-150, Motor Carrier Identification Report, must be filed by all motor carriers operating in interstate or foreign commerce. A new motor carrier must file Form MCS-150 before beginning operations, Exception: A motor carrier that has received notification of a safety rating from the Federal Motor Carrier Safety Administration (FMCSA) need not file the report. If you are a Hazardous materials shipper, but not a motor carrier, you are not required to file this report. This information will be used to identify motor carriers subject to the Federal Motor Carrier Safety and Hazardous Materials Regulations. Carriers may voluntarily update information using this report.

The public reporting burden for this collection of information on the Form MCS-150 is estimated by the FMCSA to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is OMB No. 2126-0013. If you wish to comment on the accuracy of the estimate or make suggestions for reducing this burden, please direct your comments to the FMCSA at the following address: Federal Motor Carrier Safety Administration, Bus & Truck Standards & Operations, 400 7th Street SW, Washington, D.C. 20590.
